Need emergency support? Call us on 0800 377 990

Getting started with OCP

With phone, video, and face-to-face counselling & advisory sessions available, getting the support you need has never been easier

Get in touch

Visit ocp.co.nz/book or call us anytime on **0800 377 990** to connect with a support professional that suits your needs

Schedule a session

Choose a time that works for you & mention that you're booking with OCP to avoid the long public waiting list

Get your support

Remember that anything you share with your support professional is kept completely private & confidential

Costs are covered

Thanks to your organisation's relationship with us, any support you receive through OCP is completely free to you
